

Your are in Our Prayers

Dear Lord, You know our friends & families so much better than we do. You know their sickness & the burden they carry. You also know their hearts. Lord, we ask you to be with them now, working in their lives. Let your will be done in their lives. Lord, we pray for them because your Word says we should pray for healing. We believe you hear this earnest prayer from our hearts and that it is powerful because of your promise. We have faith in you to heal our friends & families, but we also trust in the plan you have for their lives. Lord, We don't always understand your ways, and why our friends & families have to suffer, but we trust you. We ask that you look with mercy & grace toward these friends & family members. Nourish their spirits & souls in this time of suffering & comfort them with your presence. Let them know you are there with them through this difficulty. And may you be glorified in their life and also in ours. Amen
